

ACKNOWLEDGEMENT OF FUNDERS

MemWorks has been generously funded by several organizations that care deeply about helping Memphis improve employment outcomes, especially for Memphians who are experiencing poverty. The findings and interventions identified, as well as the numerous reports that communicate this evidence and information, would not have been possible without the support of these organizations. We are grateful for their commitment to not settle for the status quo and to seek out the root causes for why employment pathways are not working for Memphians experiencing poverty.
